

PREZI SLIDESHOWS "WERTERNS"

TASK: You are going to compare the information from each country's slideshows.

So let's find out about similarities and differences!

HELP: here are a few questions you may want to answer to compare the prezi presentations

- Historical data:

- Is there a disruption in the timeline? Or a continuity?

There was a disruption in Croatia and Greece.
In France, Slovenia and Italy, there was not any longer disruption

- Pace of the evolution of winegrowing?

3rd century AD → Croatia (1) ITALY ARRIVED BY ETRUSCANS
IN 800 BC, France, 1st BC, Greece 40th century BC (4.000)
and Slovenia

- Indigenous pests and diseases?

All countries had diseases in 19th century.
(PHYLLOXERA)

- Where can you find the most groundbreaking procedures? Did one country inspire others?

The use of industrial yeast, the use of ~~oil~~,
the separation of bees medicinal, and the
mechanical harvesting. the countries that inspire
others WERE FRANCE AND GREECE

In greece ~~1st~~ 1st BC → Italia 5th cen BC →

France 6th cen BC → Slovenia ^{Croatia (Dalmacija)}
1.57 BC → Slovenia

- Is there a slower evolution somewhere? What can account for it?

PREZI SLIDESHOWS "WERTERNS"

TASK: You are going to compare the information from each country's slideshows.

So let's find out about similarities and differences!

HELP: here are a few questions you may want to answer to compare the prezi presentations

- Trade connections:

- Do we get supplies from the same countries?

France is common supplier for all countries.

- Who seems to be the leader in that department?

France - red, Greece - white, Croatia - white, Slovenia - white
Italy - white.

The leader in that department is white wine.

- Partnerships in terms of winegrowing?

Slovenia, Greece - France + France + Croatia

Italy - Greece France South America Germany

All countries gained knowledge from France.

- The closest links?

Slovenia - Import: Italy, France. Export: Great Britain, US

Croatia - Import: Italy, France; export: Germany, Austria.

Greece - Import: Italy, export: France

Import: Spain

France: export: United States, UK and Germany
Italy: export: France, Spain, USA; import: France, Spain

- Noticeable differences in terms of volumes?

Croatia - more export, 181,069 tons (2013)
France - 129 million, export
Slovenia - import
Greece - export; Italy - export

PREZI SLIDESHOWS "WERTERNS"

TASK: You are going to compare the information from each country's slideshows.

So let's find out about similarities and differences!

HELP: here are a few questions you may want to answer to compare the prezi presentations

- Traditions and events

- How is wine promoted in fairs? On markets?

Every country has exhibitions, and festivals. There are often annual.

Every country has wine markets.

* Wine can be bought in supermarkets or special wine stores.

- Are the strategies to promote wine similar?

Wine roads are common in every country.

- Are there specificities in terms of celebrations?

We have wine festivals, mostly in November or Summer. Some countries in November and others in August or April. At these festivals, you can taste various wines.

- Are the Brotherhoods based on the same principle?

There are no brotherhoods in our countries.

Extra comments:

There are wine museums in every country, about the history of wine and how the wine is produced.

Anything surprising/unexpected?

In Croatia, you can see the biggest wine barrel in the world.
In Slovenia, there is a Wine Queen ~~who is the~~
Every year they chose a new one ~~who is~~

There are also wine schools in every country except Slovenia where you learn Oenology.

PREZI SLIDESHOWS "WERTERNS"

TASK: You are going to compare the information from each country's slideshows.

So let's find out about similarities and differences!

HELP: here are a few questions you may want to answer to compare the prezi presentations

- The use of wine/grapes/ grape seeds

- What differs in religious celebrations?

The term wine is associated with blood, "The blood of Christ", this terminology is referred to several times in the Bible.

- Do we have the same celebrations?

Yes, everybody has the same celebrations but not the Greece. In Greece when women and men are getting married they drink wine in the Church.

- Is wine part of gourmet food?

All the countries put wine in the food while they are doing it.

- Have we discovered and promoted the same benefits?

We discovered that we share the same benefits like using for cosmetics and it's good medicine for the heart.

Extra comments:

Anything surprising/unexpected?

It's surprising because we come from different countries but we have the same use of wine.
